Letter of Expression of Interest

Your Ref. / Date	Our Ref.	Contact person	Brno
Email dated 10.02.2021	21AICO-DK-001	Ing. Matěj / 209	25.02.2021

Subject: Project Agro-industrial complex – "Seversky Technopark".

Dear Mr. Janík,

It was my pleasure to meet you and discuss possibility of cooperation at concerned project.

Let me express our interest and confirm, that UNIS, a.s. is ready and willing to participate.

We can offer engineering services:

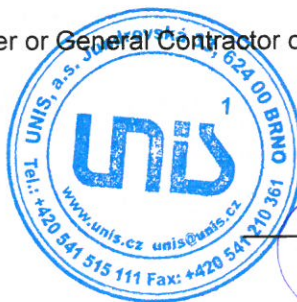

- Elaboration of Feasibility study (ТЭО / ТЕПЭО)
- Coordination of early works
- Geological, Geodetic survey, Preliminary evaluation of Ecological impact (ЗБОС)
- Selection of licensors for licensed processes, obtaining of BEP (Пакета технических решений)
- Technical conditions for connections
- Elaboration of Basic Design including to expertise (Проектная Документация)
- Elaboration of Detail Design (Рабочий проект)
- Supervision of Erection, Commissioning and Start-up (Авторский надзор)

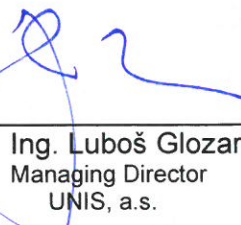

and deliveries of equipment:

- Elaboration of Requisitions
- Organisation of Tenders
- Contracting
- Supervision and control of manufacturing
- FAT
- Expedition, transport

or more complex services like General Designer or General Contractor on EP / EPC-M basis.

Best regards

Ing. Luboš Glozar
Managing Director
